

SENATOR COORDSEN: Senator Robinson.

SENATOR ROBINSON: Mr. President and members of the body, I will take those two together. I just wanted to let the body know that Senator Coordsen was six years old when the Nebraska band marched at the Rose Bowl in 1941.

SENATOR COORDSEN: And I remember it well.

SENATOR ROBINSON: Just a little trivia. Let's go on. I'm up here to pay homage to the Tekamah-Herman Tigers state championship, Class III championship in wrestling. Then I want to recognize three individuals, Andy Christensen of Fort Calhoun won his third straight championship. And Bubba Stork, I want you to remember that, Bubba Stork won his second state championship. Now isn't that a unique name for a wrestler? Bubba, Bubba Stork won his second...and he is only a junior, so Bubba may win number three. And then Nick Uhing from Tekamah won his first. Thank you very much.

SENATOR COORDSEN: Thank you, Senator Robinson. There are no other lights on. Next resolution, Mr. Clerk.

CLERK: Mr. President, 327 by Senator Kristensen, found on page 973.

SENATOR COORDSEN: Senator Kristensen.

SENATOR KRISTENSEN: Thank you, Mr. President, members of the Legislature. It's my extreme pleasure to bring this resolution to you. Last November a rather tragic event occurred in the Kearney area, a Kearney high school sophomore, Kylie Reid, was killed in an automobile accident. That tragic event had a profound impact upon the community, particularly upon her classmates at Kearney High School. As a result of that tragic accident, the students and her colleagues set forth to try to turn something positive into that very tragic event. And what they did through their debate and through their decision-making process was decided to petition the Legislature, or at least bring to the Legislature the desire to recognize a Youth Highway Safety Awareness Day. And as Chair of the Transportation Committee, I'm extremely proud that we can do this type of thing. The impact of youth death out on the highways is tremendous. And they researched the statistics and I bring
